Everyone:

Thanks for all your fabulous presentations at the ACWA Summer Conference the end of July in Bend. Our members LOVED all the great information and inspiring presentations. If you could take a minute and read over the summary of your presentation that is in the attached ACWA newsletter copy, it would be very helpful. Please change/delete/add anything so it reads the way you would like it to read. Feel free to add information also - - I may well have been out of the room or distracted when you made your most important point!

Thanks again for joining us at the Summer Conference and your review of this newsletter copy. If I could get your comments and suggestions by **Friday, August 14, 2015** - - it would be very helpful.

Please let me know if you have any questions.
